DETAIL ITINERARY

1
Day

Cycling Distance: 40 km
Meals Provided: Lunch

7:30 am pickup from your hotel followed by a 1-hour van transfer to a cafe south of Saigon where the Mr Biker Saigon team will make sure everyone ready to ride.

For the next two hours, cyclists will traverse the dirt paths through the rice paddies, many of which are elevated above the field for irrigation purposes. During the relatively flat ride, you'll be immersed in the surrounding countryside culture, cruising past friendly farmers, colorful Mekong-style architecture, and the towering coconut trees that act as an agricultural staple for the area.

After a relaxing stop at a local river overpass for a much-needed water refill and cool snack, we will continue through empty country roads under the shade of mature indigenous trees. Riders tired out by the first portion of the ride may instead opt to ride in the van for this second leg of the journey.

Finally, we will all meet up at a local dock for a relaxing 30-minute tour on a private boat to a restaurant where we will be treated to authentic Mekong cuisine and have an opportunity to relax and refresh with a cold shower.

After a relaxing lunch and refreshments, we will say goodbye to the Mekong and hop back into our private transport vehicle for a 1.5-hour ride back to Saigon and arrive at approximately 6:00 pm.
