MAP OVERVIEW

Incredible trip with Mr. Biker Saigon!

An amazing company with incredible guides. We were part of a custom 15 Day trip along the Central coast of Vietnam. The trip was super well-organized and filled with fun and interesting stops along the way. The scenery was spectacular and the food delish. Accommodations were awesome and the people of Vietnam incredibly friendly. Our guides were informative and entertaining.

I really can't imagine a better company or a better cycling experience. Just do it!

DAILY ITINERARY

Day 1

ORIENTATION (HO CHI MINH CITY)

No Cycling

Meals Provided: Welcome dinner

Accommodation: The Odys Boutique Hotel & Spa

Website: <https://theodyshotel.com/>

On your first day in Ho Chi Minh City, also known as Saigon, you will meet the Mr Biker team of guides, mechanics, and drivers who will support you throughout your exciting adventure from Saigon to Cambodia.

A bike fitting is scheduled at 4PM (Mr Biker Trung Son: 24 Street No.6, Trung Son Residence, Binh Chanh District) followed by a welcome dinner with our team.

Day 2

HO CHI MINH - BEN TRE - TRA VINH

Cycling Distance: 60km

Meals Provided: Lunch, dinner

Accommodation: Cuu Long Hotel

In the morning, riders will van transfer to a local cafe in the Mekong Delta where their fitted bikes will be waiting. After a short trip briefing at the cafe, we'll hop on and start our adventure.

70% of today's riding will be shaded from the Mekong sun by coconut trees. Riders will traverse numerous small canal bridges and admire the lush greenery of the area. This view of the area's agriculture will lead to a coconut by-product factory.

After lunch, riders will continue their adventure and watch the coconut fields give way to charming delta homes and villages. As we progress, we will continue on routes that are generally flat and paved, but there will be some opportunity to challenge ourselves on narrow sections through the coconut plantations.

We'll end up in Tra Vinh City, where we will relax before enjoying a community dinner and an evening of exploration.

Day 3

TRA VINH - CAN THO

Cycling Distance: 70km

Meals Provided: Breakfast, lunch

Accommodation: Ninh Kieu Riverside Hotel

Whereas the first day of the journey was spent in the Coconut Kingdom, today we will see rice paddies take prominence in our landscape views.

In the morning, we will cycle a short distance to Ba Om Pond, an 800 years old Khmer architectural beauty, to see its famous seasonal lotus flower.

After that, we will spend the rest of the morning cycling through flat lands next to rice paddies and canals. This region is renowned for being the second largest producer of rice in Vietnam.

In the afternoon, we'll van transfer to Can Tho city, where we will take in the nightlife and rooftop views from restaurants in the city centre. Be sure not to miss out on Can Tho's well-known night markets!

Day 4

CAN THO - LONG XUYEN

Cycling Distance: 70km

Meals Provided: Breakfast, lunch, dinner

Accommodation: Hoa Binh Long Xuyen Hotel

The excursion will be divided into two parts; The morning on water and the afternoon on land. Departing Can Tho, we will take a boat to head towards the famous Cai Rang floating market. This segment of our adventures for the day will take about 60 minutes. Arriving at the Cai Rang floating market, we will take time to explore the area and make purchases from the vendors.

After the floating market boat tour, we will head off to cycle along the river on paved and isolated roads where we will be treated to views of the region's fruit gardens growing alongside the countryside trails. Eventually, the forested riverside trails will give way to the same wide-open rice fields we passed through on day 3. As we ride through this area, we often are the only people within view for kilometres at a time. It is peaceful, tranquil and a great chance to meditate on the value of solitude and community.

Last stop would be a visit to Bang Lang Stork Sanctuary.

Riders get the choice to either cycle or van transfer the remaining distance to Long Xuyen City.

Day 5

LONG XUYEN - CHAU DOC

Cycling Distance: 70km

Meals Provided: Breakfast, lunch, dinner

Accommodation: Chau Pho Hotel

After another filling and delicious local breakfast, we will transfer 60 minutes via our private shuttle to the seat of the Southern Kingdom of Vietnam as it was recognized 2000 years ago. We'll visit a museum in the area to learn more about the history.

We'll then set off on the 55 km journey to Tra Su National Reserve and Bird Sanctuary. The farmland along the way floods frequently, so the majority of the ride will be on raised reinforced platforms above the fields.

We'll arrive at Tra Su in the early afternoon, when the majority of the tourists have departed. There, we'll have the opportunity to walk along a floating bridge past vibrantly-coloured algae. There will be guided boat tours available through the shaded canals of the reserve.

Lunch will be served after this relaxing experience before getting back on your bikes for a 25 km segment to our overnight location in Chau Doc City. However, there is also an AC van available for transfer if you like to call it a day.

Day 6

CHAU DOC - PHNOM PENH BY SPEED BOAT

Meals Provided: Breakfast, lunch

Accommodation: Ohana Hotel (superior room) or a similar standard hotel

Today, your legs will get a well-deserved rest after you board a comfortable speed boat heading to Cambodia at 6:45am.

The ride will take about 4 hours and 30 minutes where you will be able to enjoy some snacks. Visa at the border will be arranged by the crew. Please prepare a passport photo with a white background and 35 USD in undamaged cash for the border.

You will have the rest of the day to explore Phnom Penh, Cambodia's capital city.

Day 7

PHNOM PENH MORNING CYCLO RIDE AND REST DAY

After your breakfast, at 8am, you will start the day by enjoying a cyclo ride along the Boulevard to the Independent Monument. You will be able to see Phnom Penh from the riverside and some stops for pictures of the Riverfront, Royal Palace, and see how the locals do dancing exercises on the roadside.

After your cyclo ride, you can take a free day to sunbathe and relax by the pool, check out the busy city of Phnom Penh, or head out to the historical ‘Killing Fields’ and S-21 museum. This day is yours to do as you please whether more exploration or as little as you want.

We will catch up with you the next morning and take off again from there.

You will start riding through the villages in the island, stop to visit the villagers doing weaving, making scarfs, Sarong, and other silk products.

You will also have an opportunity to visit a local pagoda and local school. You will cross the river by local ferry to ride further along the riverside before being transferred by van to your charming hotel in the heart of this charming town.

Day 9

KAMPONG THOM – SIEM REAP

Cycling Distance: 65km
Meals Provided: Breakfast, lunch, dinner
Accommodation: The Sanctuary Residence (superior room) or a similar standard hotel

For your last destination before Siem Reap, you will start pedalling from your hotel to the UNESCO classified Sambor Prei Kuk Temple which consists of a hundred brick Hindu temples scattered through the forest.

From there you will continue to ride through the calm countryside for a total of 65 km on this day. Our driver will await you for a transfer to your destination of Siem Reap.

Day 10

ANGKOR TEMPLES CYCLING

Cycling Distance: 45km
Meals Provided: Breakfast, lunch
Accommodation: The Sanctuary Residence (superior room) or a similar standard hotel

This day will be focusing on the visit to the famous Angkor temples, especially Angkor Wat with an experienced local tour guide. Cycling through Angkor Wat is the best way to cycle around the site and explore its uniqueness. Mr. Biker Saigon’s team highly recommends a very early departure to avoid the tourist crowds at the temples.

We will meet at 5 am and start biking for this sunrise ride from your hotel in Siem Reap to Angkor Wat. You will first cycle up to Angkor Thom City where you will stop for breakfast before starting with the visits. You will pedal to the Bayon temple, then you will ride on small trails in the jungle to the Preah Khan temple.

A homemade lunch will be taken in a village, afterward, you will continue to ride on jungle trails to visit East Mebon, Ta Prohm, known from the Tomb Raider movie, and the famous Angkor temples. You will be transferred back to your hotel by private transportation.

After lunch, we continue to ride our bikes to Tone Sap Lake and embark on the local boat upon arrival. We cruise the boat slowly to Mechrey Floating Village, on the Tonle Sap Lake. You will then take the boat back to the pier and transfer (Or CYCLING) to Siem Reap where we will organise for you a farewell dinner and goodbyes with the local team.
